

This week in Caterpillars Class

We have had a busy first few days back at Nursery, we talked about what we have been doing during the Christmas holidays and updated our news books.

Messy Play– we have been mixing paints to make different colours, and mixing the colours with shaving foam.

For expressive art and design we made our own super hero capes out of paper and we really enjoyed playing with different musical instruments.

In our malleable area this week we explored pirates and penguins in jelly.

We had lots of fun outside playing trains and going on different journeys around the playground.

Next Week in Caterpillars Class

We will be working on number recognition by making clocks using junk modelling. We will be exploring our Beach tuff tray. We will make playdough and for our role play we will be performing on stage with music instrument as well as dressing up.

This week in Ladybirds Class.....

We have used construction bricks to practise our fine motor skills and maths skills by seeing how tall we can build a tower and counting how many bricks we used.

For Physical development this week we have been singing and dancing, learning lots of actions to different songs.

Malleable area – we explored different textures using Gelli.

In our role-play area we cared for babies in our 'Baby Clinic'

Literacy – we were learning to form the first letter of our name and practised holding a pencil in a pincer grip.

Next Week in Ladybird's Class

For literacy we will look at big books and talk about the pictures we see to help with our language skills. We will be measuring different items to see how tall/short they are for maths. We will also be making

Feeling textures - blue goo!

We made capes

Playing trains.

Messy play with shaving foam and mixing paints.

Important Reminders

I hope you have all had a lovely Christmas and New Year. It has been lovely seeing all the children at nursery and listening to them tell us all about their Christmas holiday.

I am sure you are aware, the increase in COVID infections across the county are at a concerning level. We are working hard to ensure that everyone stays safe at Nursery and it is vital if you are in doubt, please do not send your child into nursery and to follow the COVID 19 guidance. If your child displays any symptoms while at Nursery we will unfortunately have to contact you to come and collect your child immediately and would ask that you arrange a PCR test for your child.

Thank you for your continued support during these unprecedented times.

Caterpillars Team News

I'm sure you will be delighted to know that Miss Kerrie is remaining as a member of the Caterpillars team.

Important Diary Dates

4th January

INSET DAY

5th January

Back to Nursery
