

This week in Caterpillars Class

This week we have celebrated 'Penguin Awareness day' and 'Winnie the Pooh day'.

For Penguin Awareness Day, we made penguin shaped biscuits and decorated them.
We learnt about how penguins live and what they eat.

We made wintery scenes using pretend snow, blue and white paint and we cut out different animals that live in the polar regions.

We played with penguins in ice and we watched a short documentary about how penguins stay warm by huddling.

We read the 'Emperors Egg' and learnt about how penguin fathers look after the egg and chicks once they're hatched.

Next Week in Caterpillars Class

We will be making bird feeders to take home and talk about what birds eat. We will look robins and learn the different parts. We will talk about opposites. We will also be looking at recipes and talking about what our favourite foods are.

This week in Ladybirds Class....

For Penguin Awareness Day, we made penguin shaped biscuits and decorated them.

We made penguin pictures using different shapes and decorated rainbow fish pictures.

We made masks for Winnie the Pooh day

We practised our motor skills fishing using fishing rods.

We used Duplo to build princess castles and played with the car garage and cars.

Next Week in Ladybird's Class

We will make bird feeders to take home, we will be mixing colours to see what new colours we can make. We will have 'Ladybirds Hairdressers' in our role play area. We will be working on

Winnie the Pooh masks

Making penguin biscuits

Penguins in ice

Wintery penguin pictures

Making cups of tea

Important Reminders

Thank you for dressing up in black and white for penguin day the children all looked fantastic and really enjoyed our penguin themed activities.

Urgent Reminder!

Caterpillars Nursery has a strict NO NUT policy, we have children at the setting who have severe allergies. Please refrain from giving your children nut products with their lunch or snack. This includes chocolate spread on their sandwiches.

Please make sure we are aware of any allergies that your child may have.
