

This week in Caterpillars Class we.....

- ◆ Mixed jelly crystals to make different colours
- ◆ We made junk modelling creations—a walrus mask, grass skirt and a queen rocket
 - ◆ We painted with marbles and different size balls
 - ◆ We used the Bee Bot to learn left and right
 - ◆ We enjoyed our roleplay school area.

Next week in Caterpillars Class we will be...

Theme: Summer

- ◆ We will use flip flops to match and talk about different types of patterns
 - ◆ We will take part in a summer scavenger hunt
 - ◆ We will practise our fine motor skills trying sewing
 - ◆ We will be preparing for school with reading books

Home learning :

Go on a number hunt. Take a camera (or a phone) and take photos of any numbers you see. These could be on house doors, car registration plates, in shops, anywhere!
