

This week in Caterpillars Class ...

- ◆ We acted out the Stickman story
- ◆ We used junk modelling materials to make our own Stickman family
- ◆ We have been trying to write some Chinese numbers and made a Chinese red rabbit for Luna New Year
- ◆ Played 'Where's my honey' a listening and attention game and made honey biscuits.

This week in Caterpillars Class we will be...

Working on number recognition 11-15

Looking at winter animals & hibernation

Learning some Scottish dancing

Threading & sewing to build on our fine motor skills

Home learning :

- Can your child spot any birds in the garden / when you are at the park or out and about at the weekend. What colour are they / how big are they / do they know the names of any? Perhaps they could take a photo / draw a picture of any birds they see to share with their friends ?

We love The Stickman!

Reminders:

Please ensure funding declaration forms are returned back to nursery this week -Thank you
