

### This week in Ladybirds Class we ...

- ◇ Tasted Gruffalo crumble and talked about the ingredients
  - ◇ Made paper plate clocks
  - ◇ Worked on number recognition 1-12
  - ◇ Experimented with ice painting
- ◇ Made shape pictures & worked on shape recognition
- ◇ We have been observing & learning about tadpoles
- ◇ We learnt about the life cycle of a caterpillars and saw our butterflies emerge

### Next week in Ladybirds Class we will ...

- Be investigating floating & sinking
- Re-telling the Gruffalo story
- Looking at the story 'What ever next'
- Learning about countries around the world

### Home learning...

Encourage your child to identify shapes around the house e.g. a circle plate, a square table, a rectangle door etc.

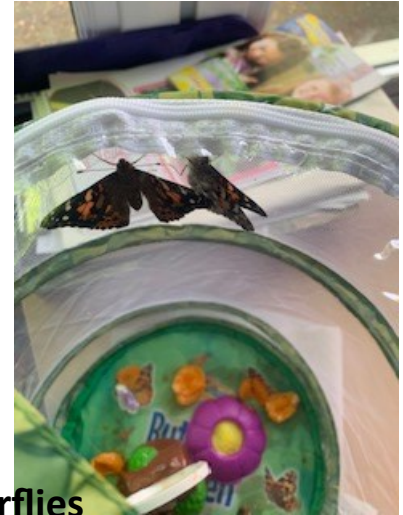

Talk to your child about different countries around the world, the weather & animals that live there.

**Boogie Beats**

**Our butterflies**

**Water run**

**Our Tadpoles**
